In semester 1, 3 and 5 German lessons are part of the curriculum in the BSc programme. Students who can prove that they have advanced knowledge of German (at least a level B2 of the European Language Reference Framework) can be exempt from German lessons and examinations in all semesters. Recognised foreign language certificates at levels B2, C1 and C2 are considered as proof. These must be enclosed with the application for exemption. The following diplomas are accepted:

Certificate	Organisation
Goethe-Zertifikat	goethe.de
TELC	telc.net
IB German A, HL 4 / SL 4	ibo.org
IB German B, HL 5 / SL 7	ibo.org

Students whose mother tongue is German and have attended schooling in German are automatically exempt. School reports may be requested for verification.

For any other language not listed above, please consult with sonja.kern@shl.ch or kathrin.jordi@shl.ch as early as possible to determine which language tests are acceptable for that particular language you wish to demonstrate minimum A2 proficiency.

Students whose mother tongue is a language other than German or English and who have received their education in their native language may apply for an exemption from this requirement. A detailed written request must be submitted to the Directorate, and school reports must be enclosed as supporting evidence.

Online language test

You have the opportunity to take a language test in German (for exemption), French, Italian or Spanish at SHL. The language test is based on the performance levels of the European Language Reference Framework. Knowledge of grammar, listening and reading comprehension as well as written and oral expression are tested. If the result is at level A2 or higher, this is considered proof of a 2nd foreign language. For the exemption from the subject German level B2 or higher is necessary.

Exam dates and registration

You may request an individual appointment. Please contact sonja.kern@shl.ch or kathrin.jordi@shl.ch and suggest two to three dates and times that would be convenient for you.

The online test assessing grammar, listening, and reading comprehension takes approximately 60 minutes. The oral examination (also conducted online) with an external expert lasts around 30 minutes. The appointment for the oral test may only be scheduled after completion of the online grammar test. Depending on the availability of the experts, the oral examination may take place on the same day or at a later date.

The test is conducted entirely online and can be taken from any location. Participation requires a quiet and distraction-free environment, a stable internet connection, and a laptop equipped with a microphone and camera.

The costs for a maximum of two language tests per student are covered by SHL.
