CORONAVIRUS: UPDATE FOR SHL-MEMBERS
Statement 9.0 / 3 April 2020

Dear students, lecturers and staff,

A pleasant week for us is coming to an end: The final oral examinations in the two management semesters, which were conducted via Microsoft teams, went very well. As a result, we were able to successfully complete the spring management semesters despite school closure. I would like to take this opportunity to thank all those involved for their commitment, flexibility and above all for the positive attitude with which this new situation was received. I would also like to take this opportunity to congratulate the graduates on their completion. You will certainly be remembered - and by no means only because of the unusual circumstances. I am already looking forward to toasting all graduates their personal successes at the occasion of a postponed graduation ceremony.

Today also saw the technical training of the students of the current semesters 1 and 2 (the technical training for semester 3 will follow on Monday), so that the resumption of classes next Monday, April 6, 2020, can proceed smoothly. Our lecturers are ready for "Digital Teaching" and are looking forward to this new challenge.

In connection with the restart of all semesters in the coming weeks (see Statement 8.0 of 24 March 2020), we are receiving an increasing number of questions from students regarding "Distance Learning", teaching materials and room bookings at Hotel SHL. We have collected these questions and answered them in the document "Q&A". This document, which is updated on an ongoing basis, can be found on our website at www.shl.ch/update-coronavirus and in the appendix to this news item (as of April 3, 2020).

Now I would like to wish you all a sunny and relaxing weekend - and a good start for the students and lecturers who begin their lessons in digital form on Monday.

Kind regards,

SHL Schweizerische
